MIAMI, Jan. 24, 2017 /PRNewswire/ -- For the inaugural season of its newest ship, Carnival Horizon, debuting in April 2018, Carnival Cruise Line has assembled a wide array of exciting and diverse itineraries featuring breathtaking destinations throughout the Mediterranean and Caribbean.

Currently under construction at the Fincantieri shipyard in Marghera, Italy, Carnival Horizon will offer many of the hugely popular indoor and outdoor dining, bar, entertainment and activity options that debuted on Carnival Vista, currently the line's newest ship.

Among those is a groundbreaking bike-ride-in-the-sky attraction called SkyRide, an IMAX Theatre and a massive WaterWorks aqua park featuring a water tube slide called Kaleid-o-slide. A wide range of accommodations will also be offered, including spa cabins offering exclusive privileges at the luxurious Cloud 9 Spa, extra-roomy staterooms in Family Harbor, and tropical-inspired Havana staterooms and suites with exclusive daytime access to a Cuban-themed bar and pool.

A variety of unique dining and bar concepts and spectacular outdoor spaces found only on Carnival Horizon will be offered and revealed in the near future.

"Carnival Vista delivered the next generation of ship for our brand with new, never-before-seen features at sea. From our amazing SkyRide and the WaterWorks aqua park to first IMAX Theatre on a cruise ship, Carnival Vista has offered our guests a brand new view of fun. With Carnival Horizon, we continue to expand those themes to provide guests of all ages with the ultimate fun vacation with Carnival!" said Christine Duffy, president of Carnival Cruise Line.
