*Carnival Cruise Line's 3D printed ship helps kick off the NSW NRL Touch Football All Schools Finals*

On Friday, Carnival Cruise Line's newest and smallest ship, Little Carnival, embarked on her maiden voyage, visiting the NSW NRL Touch Football All Schools Finals in Penrith.

Little Carnival had the honour of bringing the ball onto the field as players prepared for tap offs at the Kingsway Touch Football Playing Fields where St Edwards College took out the boys title and Kildare Catholic College took out the girls title!

With Carnival Spirit currently undergoing a dry dock in Singapore, Little Carnival is planning to cycle her way to a number of Australian cities, bringing a little FUN - at 25km per hour - to those who are having sailing withdrawals.

### About Carnival Cruise Line

Carnival Cruise Line is the largest cruise line in the world with almost five million guests travelling every year. The cruise line has two ships deployed in Australia, including Carnival Spirit – currently the largest and newest cruise ship home ported year-round in Australia. Sister ship Carnival Legend will return to Australia in October 2018 following her Northern Hemisphere summer season cruising Alaska. Carnival Splendor will join the Australian Carnival fleet in December 2019 and become the newest and largest ship home ported year-round in Australia. With 45 activities to enjoy each day, Carnival's ships offer fun-loving families and couples fun, memorable holidays at great value.
