January 10, 2020

Cast off for a perfectly happy holiday! On Friday, 10 January 2020, the cruise company AIDA Cruises is launching its "All inclusive summer" campaign: Until 31 January 2020, an all-inclusive package can be booked for the 2020 summer season. This offer is valid for cruises in the Baltic Sea, Northern Europe, the Mediterranean and the Adriatic Sea from a length of 7 days from April to October 2020, which are booked or have already been booked at Premium Rate.

The package price depends on the number of days of travel and the age of the guests booked.

The all-inclusive special for children and young people includes the "AIDA Kids & Teens Comfort" beverage package (4 to 24 years) and a social media flat rate for the entire duration of the cruise (starting from 7 years of age).
