

Carnival Cruise Line Updates Guests On Itinerary Cancellations

December 3, 2020

MIAMI, Dec. 3, 2020 /PRNewswire/ -- Carnival Cruise Line is informing guests and travel agents that it has cancelled select itineraries for specific operations in 2021, as it implements its plans for the resumption of cruising in 2021, including cruise operations in February from Miami, Port Canaveral and Galveston and moving the inaugural sailing of *Mardi Gras* until April 24, 2021.

Mardi Gras will operate from Port Canaveral, and remains the most anticipated new ship to operate from North America in 2021. It will be the first liquefied natural gas (LNG) powered ship in the Americas, and feature BOLT, the first roller coaster at sea. Carnival will take delivery of the ship from the Meyer Turku shipyard in Finland later this month and eventually sail to the U.S. and meet the requirements of the U.S. Centers for Disease Control & Prevention (CDC).

Carnival is also cancelling the remaining itineraries scheduled to operate from Miami, Port Canaveral and Galveston through Feb. 28.

"We apologize to our guests but we must continue to take a thoughtful, deliberate and measured approach as we map out our return to operations in 2021," said Christine Duffy, president of Carnival Cruise Line. "Our commitment to the health and safety of our guests, crew and the communities we visit is at the forefront of our decisions and operations."
