"These resort-style seacations offer the perfect opportunity to relax and enjoy some time off. We believe that these cruises will appeal to both our loyal guests who are eager to get back onboard our beautiful MedallionClass ships and holidaymakers looking to experience Princess for the first time.

"While international travel remains uncertain, these new cruises mean that UK residents can take a well-deserved holiday around the UK. We are also delighted that our new cruises will offer the choice between scenic voyages and port-of-call itineraries where guests can visit the historic UK cities of Liverpool, Belfast and Glasgow."

Given the advanced progress of the UK vaccination programme, and strong expressed preference on the part of guests for this limited series of UK coastal cruises, these sailings on Regal Princess and Sky Princess will be for UK resident COVID-19 vaccinated* guests only.

All guests and crew will be required to follow enhanced health and well-being measures to protect everyone onboard on these cruises. These have been developed with guidance from our global medical and public health experts and scientists and in close coordination with UK government agencies. These protocols include enhanced sanitisation measures, appropriate social distancing and the wearing of masks in certain areas of the ship. Crew will also undergo a strict testing and quarantine regime as well as regular testing during their time on board. Our protocols are subject to change, as we will continue to work with our experts and with government bodies to ensure all of our practices evolve in line with latest advice, with our primary focus always being to protect the health and wellbeing of our crew, guests and the communities we visit. Travel insurance will also be mandatory for all guests.**
