

Holland America Line Launches 150th Anniversary Limited-Edition Pilsner Beer in Commemorative Can

October 25, 2022

HAL Pils made in partnership with Seattle-based Pike Brewing

SEATTLE, Oct. 25, 2022 /PRNewswire/ -- Holland America Line is saying cheers to its 150th Anniversary by introducing a limited-edition Pilsner beer – HAL Pils – made in partnership with Pike Brewing that will be served on board across the fleet. Holland America Line chose the Seattle-based brewing company to honor the location of its U.S. headquarters and position as Seattle's Hometown Cruise Line.

"There's no better way to honor our past and celebrate our present than to choose a classic beer style like a Filsher..."

A Pilsner was selected due to its classic European style and newfound popularity in the craft brewing world. A zesty, bright and refreshingly hoppy brew, HAL Pils is made with Mosaic Hops, an iconic hop from the Yakima Valley in Washington state, yielding floral and light melon flavors, big aroma and a dry finish.

"A special-edition brew in a beautiful collector's can is the perfect way to mark our 150th anniversary," said Anthony Stice, vice president of dining and beverage operations for Holland America Line. "There's no better way to honor our past and celebrate our present than to choose a classic beer style like a Pilsner that's having a resurgence in the craft beer world. It's clean, refreshing, and crisp and our guests are really going to enjoy this exclusive production."

The commemorative can is adorned with the iconic Jan van Beers poster of 1898 showing a woman in a nautical-blue dress and striped, white hat that mirrors the funnels of the Holland America Line steamship she's holding above her head. Holland America Line gave the label a twist with the company's modern logo and updated color scheme.

HAL Pils will be available in all bars and lounges fleetwide starting in January 2023. Six-packs also will be available for purchase in the shipboard shops.
